

REMINDER

The San Francisco Police Department and San Francisco SAFE want to help reduce the chance of vehicle break-ins and vehicle theft.

Here are some tips to minimize the chance of being targeted:

- Don't leave ANY personal or valuable items inside a vehicle.
- Lock all valuables inside the trunk before arriving at your destination.
- Doors should be locked and windows up.
- Use anti-theft devices like "The Club" or an alarm system.
- Removable stereo systems should never be left in a vehicle.
- GPS mapping devices - dash or windshield mounted should never be left in a vehicle.
- Report break-ins and thefts to the San Francisco Police Department at (415) 553-0123, at any district police station, or online at www.sf-police.org.
- Call the police if you see someone tampering with a vehicle.

To report a crime in progress call 9-1-1

Make accounts and descriptions as detailed as possible - Be the best observer you can be!
