Hello Community Members,

Out of abundance of caution due to the Coronavirus, we are canceling this month's (March) community meeting.

To help Prevent the spread of the flu or Virus, remember to clean your hands often with soap for a least 20 seconds after you have been in a public place, blowing your nose, coughing, or sneezing. You can also use a hand sanitizer that contains at least 60 % alcohol. Avoid touching your nose, eyes, and mouth with unwashed hands.

Stay home if you're sick. If you are sick, you should wear a face-mask around other people. If you are not sick you do not need to wear a facemask unless you are caring for someone sick.

See Page 2 for more recommendations from CDC

We will be delaying our Coffee with a Cop. The date and location are forthcoming.

- Compared to the same time last year (2019), the numbers year to date are as follows. Currently, we are down 17% in vehicle burglaries, 48% in burglaries, 30% in assaults 3% in robberies and 6% in vehicle thefts.

- Our next community meeting will be on Tuesday, April 21st at 6PM Minnie & Lovie Rec Center. I will be there to answer any of your questions or address any of your concerns. If you have any issues or topics you would like to discuss at a upcoming meeting please let me know ahead of time, so I can provide you with the relevant information. As always I am easily available through my email at [Nicholas.Rainsford@sfgov.org](mailto:Nicholas.Rainsford@sfgov.org).

If you are reporting a crime in progress, dial 9-1-1(415-553-8090 on cell phones) to report fires, medical emergencies or any emergency related to public safety. To report a non-emergency incident (a crime that has already occurred and the suspects are gone) please call the SFPD non-emergency phone number at 415 -553-0123 to have an Officer dispatched to meet with you. Guide from CDC

<https://www.cdc.gov/coronavirus/2019-ncov/downloads/workplace-school-and-home-guidance.pdf>

## Keeping the home safe Encourage your family members to...

### All households

- Clean hands at the door and at regular intervals
- Create habits and reminders to avoid touching their face and cover coughs and sneezes
- Disinfect surfaces like doorknobs, tables, and handrails regularly
- Increase ventilation by opening windows or adjusting air conditioning

### Households with vulnerable seniors or those with significant underlying conditions

*Significant underlying conditions include heart, lung, kidney disease; diabetes; and conditions that suppress the immune system*

- Have the healthy people in the household conduct themselves as if they were a significant risk to the person with underlying conditions. For example, wash hands frequently before interacting with the person, such as by feeding or caring for the person
- If possible, provide a protected space for vulnerable household members
- Ensure all utensils and surfaces are cleaned regularly

### Households with sick family members

- Give sick members their own room if possible, and keep the door closed
- Have only one family member care for them
- Consider providing additional protections or more intensive care for household members over 65 years old or with underlying conditions

## What every American and community can do now to decrease the spread of the coronavirus

## Protect Your Vehicle Against Catalytic Converter Theft & Prius Hybrid Battery Theft

Thieves are looking for fuel-powered vehicles manufactured after 1974 that have catalytic converters. Thieves often target taller vehicles (such as pickup trucks or SUVs and now Prius) because they can easily fit under the vehicle to access the catalytic converter. The location of your car may also be a factor like regularly parking in one area for a long period of time. When possible, park in well-lit areas and close to building entrances. If you have a garage at your house, park your vehicle inside and keep the garage door close.

Have the catalytic converter welded to your car's frame, which may make it harder to steal.

Consider engraving your vehicle identification number (VIN) on the catalytic converter — this may help alert a scrap dealer that it was stolen and make it easier to identify the owner.

Calibrate your car's alarm to set off when it detects vibration.

---

## Protect Your Vehicle from Car Theft

- Never leave your car running or the keys in the ignition when you're away from it, even for "just a minute."
- Always roll up the windows and lock the car, even if it's in front of your home.
- Never leave valuables in plain view, even if your car is locked. Put them in the trunk or at least out of sight.
- Remove portable electronic devices such as smart phones and GPS navigation systems, including suction cup or bean bag type mounts. (Even the visible appearance of a suction cup ring on the glass windshield can be an enticement to a thief to break in and look for the GPS system.)
- Park in busy, well-lighted area.
- Carry the registration and insurance card with you. Don't leave personal identification documents or credit cards in your vehicle.
- When you pay to park in a lot or garage, leave just the ignition or valet key with the attendant. Make sure no personal information is attached. Do the same when you take your car for repairs.
- Install a mechanical locking device — commonly called clubs, collars, or j-bars — that lock to the steering wheel, column, or brake to prevent the wheel from being turned more than a few degrees. Use it!
- Investigate in security systems. You may get a discount on your auto insurance.

# Park Smart!

THE KEYS TO  
PARKED CAR  
SAFETY ARE IN  
**YOUR HANDS!**

**If you love it, don't leave it.**

## **DON'T TEMPT A CAR THIEF!**

**Take everything  
with you.**

### Examples of Suspicious Activity:

- An individual peering into vehicles, to try, and locate any valuables left unattended.
- An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- An individual checking front doors of residences to locate any unattended packages or individuals following delivery trucks to see where the truck is dropping off packages.
- Please dial 911 to report crimes in progress, suspicious activity or for life threatening emergencies. If it is not an emergency, dial (415) 553-0123.

**See something.  
Say something.**
