## San Francisco Police Arrest Armed Robbery Suspects 21-010

JANUARY 15, 2021 | 10:30 AM

On Monday January 11, 2021 at approximately 3:30 PM, San Francisco Police officers from Central Station responded to the area of Pier 15 for a report of an armed robbery. Officers located a 29 year-old male victim. The victim was being treated by medics and was later transported to a local hospital with non life-threatening injuries. Officers met with several witnesses who said they observed a dark-colored sedan stop next to the sidewalk on The Embarcadero. Two male suspects exited the vehicle and approached the victim. Both suspects were armed with handguns with extended magazines. The witnesses said that the suspects threw the victim to the ground and began punching and kicking him. The suspects took the victim's camera, got into the waiting vehicle being driven by a third suspect, and fled.

Dispatch broadcast the suspect vehicle description over police radio. Officers responding to the area located the vehicle stopped at a stoplight at the intersection of Broadway and The Embarcadero. The officers initiated a traffic stop on the vehicle, however it failed to yield and sped away in an attempt to evade capture. The suspect vehicle collided with a parked pickup truck on The Embarcadero but continued fleeing. The suspects led police in a pursuit that spanned several city blocks. The pursuit ended at the intersection of Pine Street and Petrarch Place when the driver lost control of the vehicle and crashed into a building. Two of the suspects attempted to flee on foot, however they were taken into custody by officers.

A records check of the vehicle showed that the vehicle had been reported stolen out of Oakley, CA. While on scene officers broadcast a description of the vehicle and the suspects. Officers determined that the suspects were responsible for an armed robbery that occurred earlier in the day. In that incident a 69 year-old female victim said that at approximately 2:50 PM she was walking on the 2200 block of Mason Street when she was approached by an unknown male suspect who pointed a gun at her and demanded her purse. The victim gave the suspect her purse and the suspect got into a waiting vehicle and fled.

The suspects were identified as 18 year-old Zaire Jones of Antioch, 18 year-old Laurice Berrett and 18 year-old Collante Trotter, both of Brentwood. The suspects were transported to San Francisco County Jail where they were booked on charges of robbery (211 PC), conspiracy (182 PC), resisting arrest (148(a)(1) PC), aggravated assault (245(a)(4)), receiving stolen property (496(a) PC), elder abuse (368(b)(1) PC), several vehicle code violations and several firearms violations.

While arrests have been made, this incident is an open and active investigation. Anyone with information is asked to call the SFPD 24 Hour Tip Line at [1-415-575-4444](tel:1-415-575-4444) or Text a Tip to [TIP411](text:TIP411) and begin the text message with SFPD.

## San Francisco Police Release Burglary Awareness Crime Prevention Video

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- “Block the cord” – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family and your home from burglary please click on the link below and watch our safety video.

## PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

### ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

### INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

### REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

### DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

### INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

### TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

### INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

### SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

### HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

### INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

For additional information, please contact SF SAFE at (415) 553-1984 or visit [sfsafe.org](http://sfsafe.org)

# PREVENT GARAGE DOOR BREAK-INS

## ANATOMY OF A SAFE GARAGE

### Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit [sfsafe.org](http://sfsafe.org).

With the Covid-19 restrictions lifting in phases and many of us are starting to venture out again, here are some Package Theft Prevention Guide from SFSafe to help prevent your packages from being stolen.

## PACKAGE THEFT PREVENTION GUIDE

### WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

### CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

### USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

### DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

### REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

### USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

### NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

### PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.
