Dear Residents, Merchants, and Community Stakeholders of the Taraval District,

I am thankful to close out 2020 and I am eternally optimistic for a better 2021. On behalf of the members of Taraval Station, we wish you all a happy and safe new year. In recapping 2020, we saw some notable decreases in certain crime categories as well as some notable increases in other categories as listed below. Due to the collaborative efforts of our burglary investigators, responding officers, and information provided by our community members, suspects were identified and arrested for residential burglaries that occurred within both the Taraval and Inglewood police districts. It's important to note that surveillance video and witness information played key roles in the investigations. These small steps of collaboration with the community helps us build strong cases which lead to great arrests. Please see page 4 for additional information on the burglary arrest.

On 01/02/21 we had a carjacking/shooting reported to us near the area of 19<sup>th</sup> Ave and Chester. This incident has shook the neighborhood and brought up legitimate concerns. Based on information as we know it at this time, the incident appears both targeted and isolated. The investigation is challenging due to the victim's reluctance to provide us with information that can assist with moving the investigation forward. I encourage community members with any information to contact our anonymous tip line at: SFPD 24-hour tip line at 1-415-575-4444 or Text a Tip to TIP411 and begin the text message with SFPD. You may remain anonymous.

- We finished off 2020 with the following numbers; we are down 33% in vehicle burglaries, 22% in assaults, and 29% in robberies. We are up 45% in vehicle thefts and 35% in home and commercial burglaries.

- If you are reporting a crime in progress, dial 9-1-1(415-553-8090 on cell phones) to report fires, medical emergencies or any emergency related to public safety. To report a non-emergency incident (a crime that has already occurred and the suspects are gone) please call the SFPD non-emergency phone number at 415-553-0123 or you can go online to file certain reports at <https://www.sanfranciscopolice.org/get-service/police-reports/file-police-report>

## San Francisco Police Make Arrests in Taraval and Ingleside Burglary

### Series 20-145

#### ***Officers arrest three serial burglars, seize several high-capacity firearms, and several stolen items taken in San Francisco burglaries.***

In early October of 2020, the SFPD Burglary Unit commenced an investigation into a series of armed burglaries that occurred in the city's Taraval and Ingleside Districts. In some of the incidents, the victims were in their homes when they were confronted by suspects armed with guns. The suspects would take cash, jewelry, and electronics. In one incident the suspects confronted a 16-year-old female victim in her home, took her cell phone, and demanded money.

On Friday, December 11, 2020, investigators from the SFPD Burglary Unit and the SFPD Special Investigations Division along with officers from the SFPD Tactical Unit and officers from the Field Operations Bureau served search warrants in San Francisco, Vallejo, Oakland, Stockton, and Carmichael. The Sacramento County Sheriff's Department assisted in the search warrant service in Carmichael. Taken into custody during the search warrant service were 30-year-old Joshua Pittman of San Francisco, 31-year-old Deandre Quininnie of San Francisco, and 26-year-old Leticia Gilton of Vallejo.

In addition to the three arrests, investigators seized several firearms including two semiautomatic rifles, six semi-automatic handguns, and several items of evidence linked to burglaries in San Francisco.

Pittman and Quininnie were booked at San Francisco County Jail on charges of robbery (211 PC), burglary (459 PC), false imprisonment (236 PC), and child endangerment (273a(a) PC). Gilton was booked at San Francisco County Jail on charges of robbery (211 PC), burglary (459 PC), false imprisonment (236 PC), and grand theft (487(a) PC). The charges connect each suspect to four separate home burglaries in San Francisco.

San Francisco is experiencing an increase in home burglaries. SFPD's response to burglary investigations begins with patrol officers who take the initial report, canvass the area for evidence and notify crime scene investigators and Burglary Detail investigators. Investigators exhaust every lead, which can include witness statements, video footage, and physical evidence in an effort to recover stolen property and identify and arrest the suspects. When an arrest is made, burglary investigators present the best possible case to the district attorney for rebooking. The SFPD Burglary Detail tracks repeat offenders and burglary "crews" in an effort to connect these offenders to other burglaries and help prevent future burglaries.

### Series 20-145 (cont.)

This investigation is one example of the hard work and dedication police officers and investigators commit to every day to recover and return stolen property to the rightful owners, take firearms off the street and arrest serial burglars.

Photos of the recovered firearms accompany this news release.

While arrests have been made these remain open investigations. Anyone with information about any of these incidents is asked to call the SFPD 24-hour tip line at [1-415-575-4444](tel:1-415-575-4444) or Text a Tip .

## San Francisco Police Release Burglary Awareness Crime Prevention Video

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- “Block the cord” – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family and your home from burglary please click on the link below and watch our safety video.

## PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

### ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

### INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

### REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

### DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

### INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

### TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

### INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

### SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

### HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

### INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

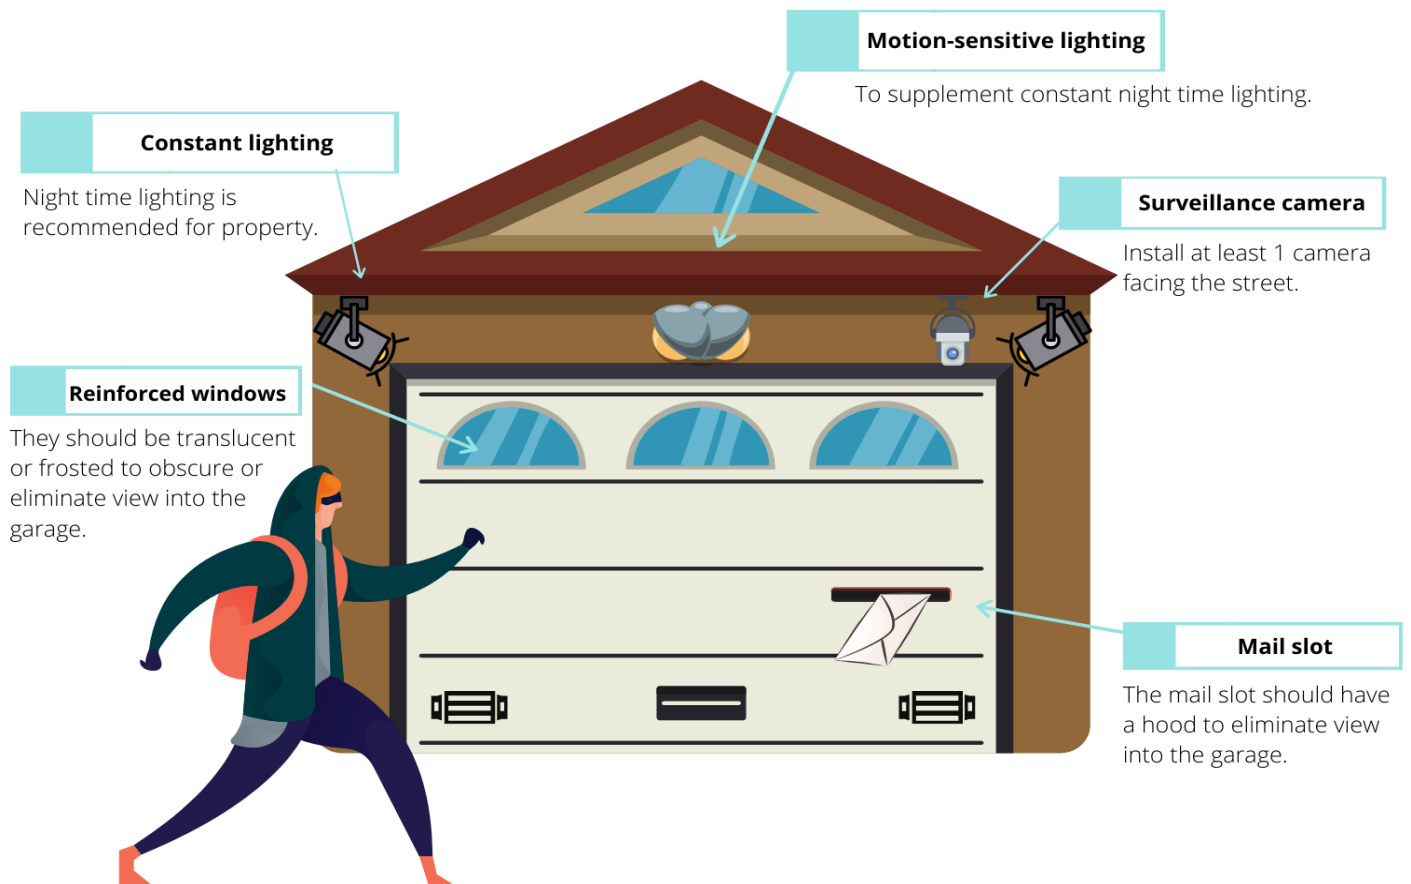

For additional information, please contact SF SAFE at (415) 553-1984 or visit [sfsafe.org](http://sfsafe.org)

## PREVENT GARAGE DOOR BREAK-INS

### ANATOMY OF A SAFE GARAGE

### Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit [sfSAFE.org](http://sfSAFE.org).

With the Covid-19 restrictions lifting in phases and many of us are starting to venture out again, here are some Package Theft Prevention Guide from SFSafe to help prevent your packages from being stolen.

## PACKAGE THEFT PREVENTION GUIDE

### WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

### CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

### USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

### DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

### REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

### USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

### NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

### PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

Learn about our ongoing efforts to eliminate bias and increase accountability at [sanfranciscopolice.org/bias-free](https://sanfranciscopolice.org/bias-free).

A guiding principle of the San Francisco Police Department is its commitment to treating all people with dignity, fairness, and respect. It is crucial for our members to carry out their duties in a manner free from bias and eliminate any perception of policing that appears biased. Biased policing is unsafe, unjust, and ineffective. It also alienates the public, fosters distrust of police, and undermines legitimate law enforcement efforts.

The SFPD is dedicated to ensuring our officers and professional staff provide unbiased, quality service to the diverse communities we work for. Our goal is to provide fair and positive interactions between San Francisco officers and the people we are proud to serve.

## Community Surveys

The San Francisco Police Department is committed to excellence in law enforcement and is dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

As part of our ongoing outreach to engage with the community and measure our success, the Department has created a community survey link to obtain valuable community feedback for our community events and programs, which will assist the Department in the development of our strategies to meet the needs of the community. If you have recently attended or participated in an event or program hosted by the Department (such as Coffee with a Cop, National Night Out, ALERT program, Youth Summer program, Community Academy or Town Hall Meeting), and have feedback regarding the event or program you attended, please take some time to fill out our community survey.

The Department has also developed a Foot Beat/Bike Patrol survey to gather valuable community feedback on the effectiveness of the Foot Beat/Bicycle Patrol, as it relates to community policing and crime strategies and an Implicit Bias survey to measure progress in the Department's commitment to impartial policing and procedural justice. Please take the time to fill out the Foot Beat/Bicycle and Implicit Bias surveys. If you have already filled out a survey, thank you! Your response will help SFPD better serve our City and continue to support our community through Safety with Respect.
