## San Francisco Police Are Seeking Public Assistance in Locating Suspects in French Bulldog Robbery 21-029

FEBRUARY 05, 2021 | 12:00 PM

On Tuesday January 5, 2020 at approximately 5:52 p.m., San Francisco Police officers from Central Station responded to the 1700 block of Hyde Street for a report of a robbery. Officers met with a 30-year-old female victim who told them she had just been robbed. The victim said she was walking her dog when she was approached by three unknown male suspects. One of the suspects struck the victim in the face multiple times. The victim said she observed a firearm in the suspect's other hand. The suspect then took the victim's dog, a grey French Bulldog puppy. The three suspects got into a waiting vehicle being operated by a fourth suspect and fled the scene. Officers summoned medics to the scene to treat the victim for her injuries. The victim was transported to a local hospital and was treated for non-life-threatening injuries.

Chloe, the victim's puppy, is still missing and the suspects are still outstanding.

Photos of the suspect vehicle, a photo of Chloe, and a video of the suspect vehicle accompany this news release.

## San Francisco Police Advise the Public of Senior Service Program Impostors Going Door to Door 21-020

JANUARY 29, 2021 | 1:04 PM

A service provider for seniors in San Francisco recently became aware of incidents in which subjects posing as meal delivery drivers contacted clients in San Francisco and asked to enter their homes.

These impostors, who wore clothing similar to the uniforms worn by meal delivery drivers, requested admittance to the homes for the purpose of conducting a “survey.” There are also reports that subjects asked clients for money. In at least one instance, the subjects had a vehicle with markings that resembled the official logo of a senior service provider.

The clients did not admit these subjects to their homes, did not provide money and reported the suspicious activity to their service provider. The service provider involved has begun a campaign to inform their clients of this suspicious activity and how to contact them if they have any questions or concerns about their service.

The San Francisco Police Department is sharing this information to raise awareness within the community and offer these safety tips:

- Do not open your door to strangers.
- Senior service providers do not ask their clients for money.
- Senior service providers do not ask their clients for admission to their homes for the purpose of taking “surveys.”
- Call your service provider if you have any doubt that someone calling at your door works for your service provider.

If you see suspicious activity or persons in your neighborhood, call the non-emergency dispatch line at [1-415-553-0123](tel:1-415-553-0123). To report an emergency or crime in progress, call 911.

## City's coordinated response to deadly stunt driving events showing promise as 11 cars are impounded, 10 out-of-town violators cited 21-028

FEBRUARY 04, 2021 | 4:42 PM

A coordinated citywide initiative combining tougher legislation with targeted enforcement is showing early promise to deter deadly stunt driving events in San Francisco, with a Jan. 24 response by the San Francisco Police Department netting 11 impounded vehicles and 10 citations for individual violators — not one of them a San Francisco resident.

Under unanimously enacted legislation authored last fall by Supervisors Ahsha Safaí and Aaron Peskin and now-Board President Shamann Walton, beefed up local laws now provide that vehicles involved in stunt driving violations in San Francisco may be impounded for up to 30 days. In tandem with city leaders' policy innovation, SFPD Chief Bill Scott formed a specialized Stunt Driving Response Unit, or SDRU, to prioritize the city's police response to reported incidents.

At 2:45 a.m. on Sunday, Jan. 24, 2021, San Francisco police deployed SDRU in response to 911 reports of a stunt driving incident taking place near the intersection of Dolores Street and 30th Street. Arriving on scene within minutes, SDRU officers identified more than 100 vehicles gathered for the illegal event, blocking all lanes of traffic on Dolores Street. SDRU officers observed drivers in vehicles performing such stunt driving maneuvers as "doughnuts" and "burning rubber" in the area where traffic was blocked. Police ordered participants to clear the roadway and return to their unattended vehicles. Although most participants and spectators promptly complied, returning to their vehicles and leaving the area, 11 vehicles were left unattended, continuing to block lanes of traffic on Dolores Street between 30th and Day Streets. SDRU officers impounded the vehicles, and issued citations to ten drivers from the cities of Oakland, San Leandro, Castro Valley, Petaluma, Antioch, Santa Rosa, San Mateo and Stockton. All of the violators were between the ages of 18 and 23; none of them was a San Francisco resident.

"We will remain fierce in our work together to stop the dangerous act of sideshows in our neighborhoods," said Board President Shamann Walton. "We created the harshest legislation we could, without violating state law, along with vigilance and support from SFPD to keep our communities safe. As a parent and President of the Board of Supervisors, I will remain committed to ensuring our children can play safely and that our residents can move freely throughout the City without worrying about the dangers of sideshows."

"Safety is my number one priority and we will do everything we can to stop this reckless behavior in San Francisco," Supervisor Ahsha Safaí. "Once my legislation was passed last summer and with coordination with the SFPD we've seen a precipitous drop in stunt driving, but we must remain vigilant. These underground shows are becoming increasingly dangerous but I am happy my legislation has helped to save the lives of countless impulsive young adults. The confiscating of 11 cars is in my opinion the saving of 11 lives."

"Sideshows and illegal stunt driving have become an increasingly dangerous problem in District 9," said Supervisor Hillary Ronen. "Not only are these activities extremely unsafe for the participants, they've been associated with burglaries and shootings that endanger the public. I am encouraged by the formation of the Stunt Driving Response Unit and that this has the full attention of the City. I look forward to working with Chief Scott and Department to keep our streets safe."

"Sideshows are a danger to participants and passersby," said Supervisor Rafael Mandelman. "I'm grateful to the SFPD's Stunt Driving Response Unit for quickly resolving the recent stunt driving incident on Dolores Street in my district before anyone was seriously injured."

## City's coordinated response to deadly stunt driving events showing promise as 11 cars are impounded, 10 out-of-town violators cited 21-028 (Cont.)

“With tougher consequences and targeted enforcement, San Francisco is sending a clear message to stunt drivers throughout the Bay Area that their dangerous, illegal events won’t be tolerated in our City,” said Supervisor Aaron Peskin. “I’m grateful to my City Hall colleagues for unanimously supporting legislation I proudly co-sponsored, and to Chief Bill Scott for his work to create a Stunt Driving Response Unit.”

“Stunt driving events are a dangerous trend that poses especially grave risks to a city as densely populated as San Francisco,” said Chief Bill Scott. “And the fact that most of these violators are very young, inexperienced drivers makes this trend especially worrisome. Deterring this deadly lawlessness is a high priority for all of us in the San Francisco Police Department, but I am especially thankful to Commander Dan Perea; Captains Jason Cherniss and John Jaimerena; Lieutenants Brian Devlin, Thomas Harvey, Anthony Holder, Luke Martin, Tracy McCray and Andrew Meehan; Sergeants Dan Guzman and Leroy Thomas for spearheading our Stunt Driving Response Unit. Finally, all of us in SFPD are grateful to our Board of Supervisors and Mayor Breed for their leadership in enacting tougher laws that will discourage would-be scofflaws and save lives.”

Illegal stunt driving events — which are often described as “sideshows” in regional news coverage — became increasingly common phenomena throughout the Bay Area last year, in defiance of public safety laws and COVID-19-related public health orders alike. San Francisco’s crowded streets and densely populated neighborhoods have not been spared from this dangerous trend, which claimed the life of one spectator late last year.

In February 2020, four separate lawless stunt driving incidents in San Francisco involving nearly 100 vehicles featured high-speed, reckless stunts performed in multiple neighborhoods. Gunshots were fired during an August 2020 stunt driving episode, in which one of the participating drivers lost control of his vehicle. Although spectators narrowly avoided injury or worse in the August incident, a stunt driving event the following month ended in tragedy. On Sept. 6, 2020, the San Francisco Department of Emergency Management’s 911 system was flooded with more than 100 calls for service from alarmed San Franciscans over a particularly egregious stunt driving onslaught. A 22-year-old Sacramento man was shot to death in that incident.

Although citations have been issued in the Jan. 24, 2021 incident, the San Francisco Police Department’s investigation remains open and ongoing. Anyone with information on that or any other illegal stunt driving event is asked to call the SFPD Tip Line at 1 (415) 575-4444 or Text a Tip to TIP411 and begin the text message with SFPD. You may remain anonymous.

## San Francisco Police Make Arrest in Bayview Shooting 21-039

FEBRUARY 08, 2021 | 10:44 AM

On Saturday, January 23, 2021, at approximately 8:28 a.m., San Francisco Police officers from Bayview Station responded to the area of 3rd Street and Palou Avenue for a report of a shooting. Officers met with employees from a grocery store located on the 4800 block of 3rd Street who told them that they heard gunfire coming from outside and observed that a storefront window was shattered as a result.

Officers obtained video surveillance of the incident, which showed a light-colored vehicle driving southbound on the 4800 block of 3rd Street. An unknown suspect fired several shots, from inside the vehicle, in the direction of a second unknown suspect standing on the sidewalk. The second suspect produced a firearm and returned fire at the vehicle as it fled the scene at a high rate of speed.

Investigators from the SFPD Gang Task Force developed information that led to the identity of the suspects. They were identified as 26-year-old Jermaine McDonald and 26-year-old Kenneth Matthews, both of San Francisco.

On Wednesday, January 27, 2021, McDonald was taken into custody in the area of 6th and Jessie Streets. While taking McDonald into custody officers located a loaded, semi-automatic firearm in his pocket.

Investigators obtained an arrest warrant for Matthews. On Thursday, February 4, 2021, Matthews was taken into custody in the area of Taylor and Eddy Streets without incident.

McDonald was taken to San Francisco County Jail and booked on charges of attempted homicide (664/187 PC), assault with a firearm (245(a)(2) PC), felon in possession of a firearm (29800(a)(1) PC), carrying a loaded firearm in a vehicle (25850(a) PC), carrying a concealed firearm (25400(a)(2) PC) and probation violation (1203.2(a) PC).

Matthews was taken to San Francisco County Jail and booked on charges of attempted homicide (664/187 PC), felon in possession of a firearm (29800(a)(1) PC), and a firearm possession enhancement (12021.1 PC).

While arrests have been made, this remains an open investigation. Investigators are asking anyone with information - including cell phone or surveillance camera video - regarding this incident to call the SFPD 24-hour-tip line at [1-415-575-4444](tel:1-415-575-4444) or Text a Tip to [TIP411](text:TIP411) and begin the message with SFPD.

## San Francisco Police Release Burglary Awareness Crime Prevention Video

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- “Block the cord” – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family and your home from burglary please click on the link below and watch our safety video.

## PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

### ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

### INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

### REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

### DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

### INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

### TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

### INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

### SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

### HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

### INSTALL INTERIOR MAIL SLOT HOOD COVER

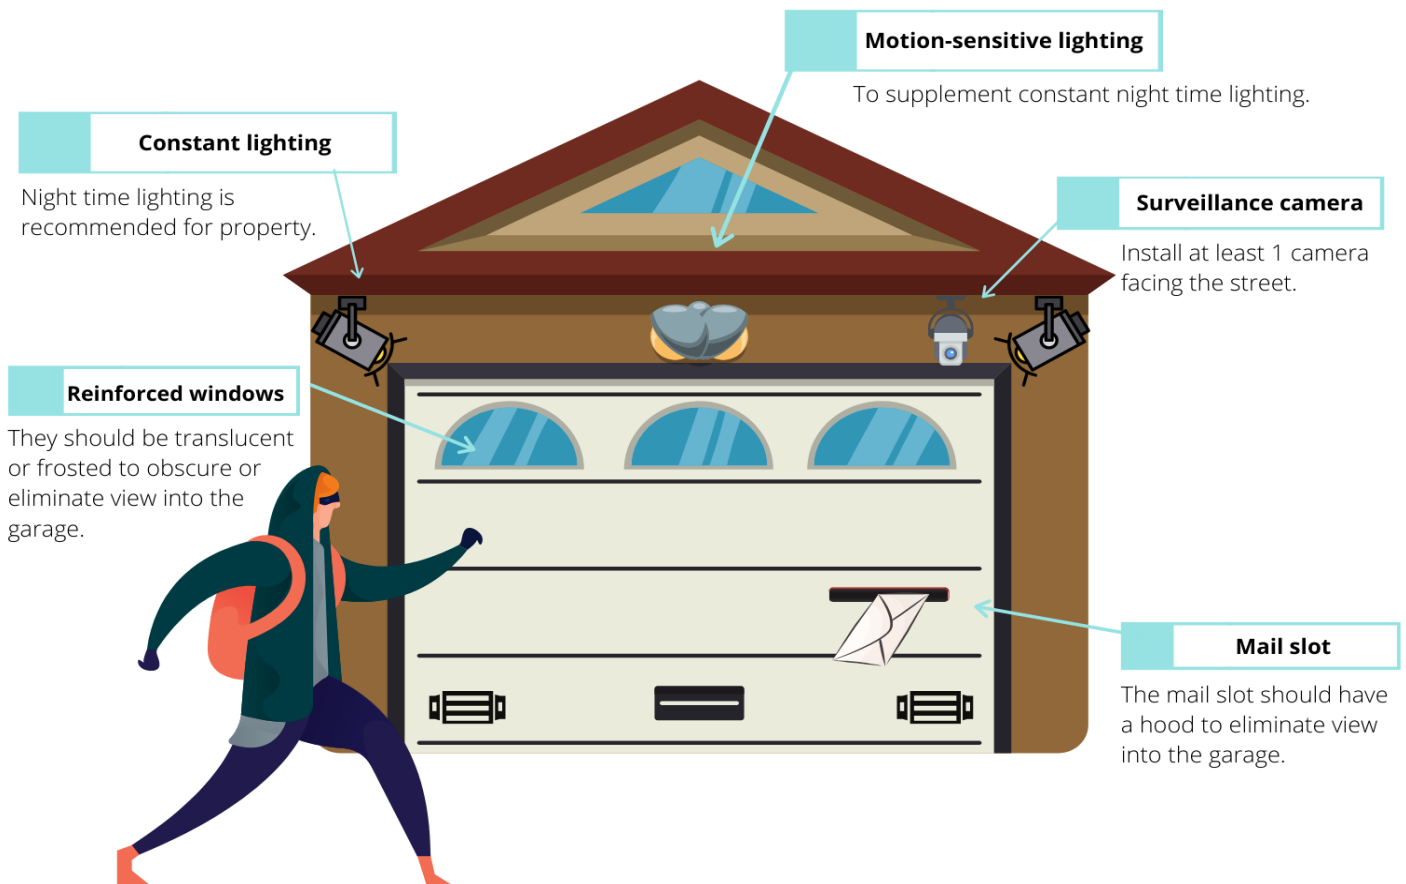

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

For additional information, please contact SF SAFE at (415) 553-1984 or visit [sfsafe.org](http://sfsafe.org)

# PREVENT GARAGE DOOR BREAK-INS

## ANATOMY OF A SAFE GARAGE

### Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit [sfsafe.org](http://sfsafe.org).

With the Covid-19 restrictions lifting in phases and many of us are starting to venture out again, here are some Package Theft Prevention Guide from SFSafe to help prevent your packages from being stolen.

## PACKAGE THEFT PREVENTION GUIDE

### WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

### USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

### REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

### NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

### PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

### CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

### DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

### USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.
