Greetings All,

I wanted to let everyone know I just read a report about an attempted home burglary. Yes it was an attempt a not a completed burglary. A very sharp homeowner foiled a would be burglar by securing the emergency disengaging latch on their garage door with a zip tie. Sounds like this homeowner has been paying attention to our safety tips and tricks. The homeowner did suffer minor damage to a garage door window pane but that was the extent of it, their home did NOT get burglarized. The burglar was defeated in this instance and surely scampered off in search of a less secure garage door. Just remember in case of an actual emergency have a cutting tool handy to quickly cut off any security enhancements you have made.

Be safe,

-Compared to the same date last year, 2020; as of 03/21/21 we are currently down 40% in theft from vehicles, 15% in assaults, and 3% in robberies. However, we are up 150% in home and commercial burglaries and 23% in motor vehicle theft .

- If you are reporting a crime in progress, dial 9-1-1(415-553-8090 on cell phones) to report fires, medical emergencies or any emergency related to public safety. To report a non-emergency incident (a crime that has already occurred and the suspects are gone) please call the SFPD non-emergency phone number at 415-553-0123 or you can go online to file certain reports at <https://www.sanfranciscopolice.org/get-service/police-reports/file-police-report>

## San Francisco Police Seize a Firearm While Conducting Burglary Abatement Operation 21-066

MARCH 18, 2021 | 12:32 PM

On Tuesday March 16, 2021 at approximately 4:53 a.m., San Francisco Police officers assigned to Mission Station were conducting a burglary surveillance operation in San Francisco's Eureka Valley neighborhood. San Francisco has seen an increase in residential and commercial burglaries and these officers were tasked with conducting undercover patrol and surveillance in an effort to identify and arrest burglars.

Officers observed a subject, later identified as 26 year-old Mario Ramirez of San Francisco, walking from house to house, entering the yards, peering into entry ways and looking into stairwells. Ramirez was detained by uniformed police officers in the area of 19th and Hartford Streets. While conducting a pat search for weapons, officers located a loaded firearm in Ramirez's backpack. Officers also located a knife, screwdrivers, chisel, lock pick, saw and pepper spray in Ramirez's possession. Officers conducted a records check of Ramirez, which revealed he was on active parole for carrying a loaded firearm.

Ramirez was later transported to San Francisco County Jail where he was booked on charges of person convicted of a violent offense in possession of a firearm (29900(a)(1) PC), possession of ammunition by a prohibited person (30305(a)(1) PC), possession of tear gas by a prohibited person (22810(a) PC), carrying a loaded firearm in public (25850(a)(2) PC), non-registered owner carrying a loaded firearm (25850(c)(6) PC), (25400(a)(2) PC), carrying a concealed firearm (25400(a)(2) PC), (29800(a)(1) PC), felon in possession of a firearm (29800(a)(1) PC), receiving stolen property (496 PC), possession of burglary tools (466 PC), carrying a concealed and loaded firearm (25400(c)(6) PC), providing false identification to a police officer (148.9 PC), mail theft (530.5(E) PC), loitering to commit a crime (647(H) PC), and parole violation (3056 PC).

A photo of the firearm, knife and pepper spray accompanies this news release.

While an arrest has been made this remains an active and ongoing investigation. Anyone with information is asked to call the SFPD Tip Line at [1-415-575-4444](tel:1-415-575-4444) or Text a Tip to [TIP411](text:TIP411) and begin the text message with SFPD. You may remain anonymous.

## San Francisco Police Make Arrest in Market Street Aggravated Assaults 21-067

MARCH 18, 2021 | 1:02 PM

On Wednesday March 17, 2021 at approximately 10:10 a.m., San Francisco Police officers from Tenderloin Station responded to the area of 7th and Market Streets for a report of an aggravated assault. Officers arrived and located two victims, a 75-year-old Asian female and an 83-year-old Asian male. The victims were transported to a local hospital with non-life-threatening injuries.

Officers took custody of the suspect who was detained by a nearby security guard. The suspect is identified as 39 year-old Steven Jenkins. Witnesses told officers that Jenkins was involved in a physical altercation in U.N. Plaza approximately 30 minutes prior to the assaults. Following the altercation at U.N. Plaza, Jenkins approached the male victim and assaulted him. The assault was brought to the attention of the security guard who pursued Jenkins on foot. As Jenkins was fleeing, he assaulted the female victim. The security guard was able to detain Jenkins until officers arrived.

Jenkins was transported to a local hospital for an unrelated, prior medical condition. Jenkins was later booked at San Francisco County Jail on two charges of assault likely to produce great bodily injury (245(a)(4) PC), and two charges of elder abuse (368(b)(1) PC).

Both assaults are believed to have been unprovoked. Investigators are working to determine if racial bias was a motivating factor in the incident.

While an arrest has been made, these remain open investigations. Anyone with information is asked to call the SFPD Tip Line at [1-415-575-4444](tel:1-415-575-4444) or Text a Tip to [TIP411](sms:4155754444) and begin the text message with SFPD.

## San Francisco Police Seeking Public Assistance in Identifying Aggravated Assault Suspect 21-069

MARCH 19, 2021 | 12:45 PM

On October 3, 2020, at approximately 2:15 PM, the victim, a 44-year-old, male San Francisco resident was on board a Muni 14-Line bus at Mission and Duboce Streets. As the bus came to a stop, the victim lost his balance and fell to the floor. The bus operator called for an ambulance and instructed other passengers to exit the bus.

While waiting for emergency services to respond, the suspect, who was one of the passengers who had gotten off the bus, boarded the bus again and threw the victim out of the bus's rear door. The victim landed on the sidewalk, striking his head on the ground. The victim was transported to a local hospital with a traumatic brain injury and remains hospitalized as of the date of this news release.

The suspect fled the scene on foot as is described as a black male in his twenties.

He was accompanied by a person of interest who may be a witness and may know the identity of the suspect. This person is described as a female, in her twenties last seen wearing dark-colored clothing and wearing a backpack.

Photos of the suspect and person of interest accompany this news release.

Anyone with information regarding this investigation is asked to call the SFPD Tip Line at [1-415-575-4444](tel:14155754444) or Text a Tip to [TIP411](text:TIP411) and begin the text message with SFPD. You may remain anonymous.

## Suspect in 1990 Homicide Arrested in Santa Barbara County 21-070

MARCH 19, 2021 | 1:02 PM

On November 5, 1990, at approximately 6:25 AM, San Francisco Police officers responded to a reported shooting on the 200 block of Potrero Avenue. Officers located the victim, 46-year-old Lamar Vaughn who was suffering from a gunshot wound. Vaughn was transported to San Francisco General Hospital where he was pronounced deceased.

San Francisco Police Department Homicide Inspectors determined that Vaughn and the suspect had been involved in an argument prior to the shooting. Investigators identified the suspect as James Francis Edwards, then 40 years old, and obtained an arrest warrant for Murder and Felon in Possession of a Firearm. As the investigation continued, investigators learned that Edwards used multiple identities and likely fled the state.

On March 17, 2021, at approximately 3:32 PM, deputies from the San Barbara County Sheriff's Office were conducting a welfare check on another individual on the 1000 block of Casitas Pass Road in Carpinteria, CA. The deputies contacted Edwards, and after running a records check, determined that he was wanted on a 1990 homicide warrant from San Francisco. As of the date of this news release, Edwards remains in the custody of the Santa Barbara County Sheriff, pending his transfer to the San Francisco County Jail.

We would like to thank the members of the Santa Barbara County Sheriff's Office for their assistance in locating and apprehending Edwards and helping return him to San Francisco where he will be held to answer for the criminal charges.

## San Francisco Police Release Burglary Awareness Crime Prevention Video

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- “Block the cord” – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

## PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

### ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

### INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

### REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

### DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

### INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

### TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

### INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

### SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

### HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

### INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

# PREVENT GARAGE DOOR BREAK-INS

## ANATOMY OF A SAFE GARAGE

### Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit [sfSAFE.org](http://sfSAFE.org).

With the Covid-19 restrictions lifting in phases and many of us are starting to venture out again, here are some Package Theft Prevention Guide from SFSafe to help prevent your packages from being stolen.

## PACKAGE THEFT PREVENTION GUIDE

### ✉️ **WON'T BE HOME?**

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

### ✉️ **USE SPECIAL SERVICES**

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

### ✉️ **REQUEST NONDESCRIPT PACKAGING**

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

### ✉️ **NETWORK WITH NEIGHBORS**

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

### ✉️ **PORCH AREA VISIBILITY**

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

### ✉️ **CUSTOMIZE DELIVERIES**

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

### ✉️ **DELIVER TO SECURE LOCATIONS**

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

### ✉️ **USE MODERN ALTERNATIVES**

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

## SF SAFE CITY CAMERA PROGRAM

Through the SF SAFE City Camera Program, we address public safety needs and help reduce crime through collaboration.

By partnering with community stakeholders, such as local merchant associations, businesses, and community residents from San Francisco's high trafficked neighborhoods, commercial corridors, and our City government, we identify specific needs, install public safety cameras and create, develop, and implement safety plans with a meaningful community-led and community-driven process.

Through this program, SF SAFE targets high-risk and high-traffic city blocks comprising about 20-30 businesses or residential areas for the installation of high definition security cameras and surveillance technology. Typically, a coverage area of about 18-24 camera views per corridor is provided. Camera installation projects for commercial corridors take about 12 weeks from start to finish and encompass outreach, assessment, mapping and system installation. We work with technology vendors as the technology solutions and data privacy provider for this program, accountable to the most stringent level of self-imposed policy standards.

In addition to the security cameras acting as a visible crime deterrent, the footage is an extraordinary tool in assisting businesses and community members in the investigation of criminal activity if/when any occur. This program levels the playing field, holding all involved accountable, creating an equitable and true evidence chain for investigators and public defenders alike, as an innovative alternative policing tool empowering communities to take ownership over their own public safety needs.

To learn more about the SF SAFE City Camera Program, email [sfsafecitycameraprogram@sfsafe.org](mailto:sfsafecitycameraprogram@sfsafe.org).
