Greetings All,

I want to give everyone a reminder that the monthly Taraval Station Community Meeting will be taking place on Thursday, March 18th at 6pm via Zoom. The Zoom meeting is hosted by SF SAFE and I am grateful to Kyra Worthy and her great team at SF SAFE for hosting and moderating the meeting. Go to sfsafe.org to RSVP for the meeting.

In this month's meeting as part of the agenda I will be addressing how citizens can make formal complaints against officers as well as how to formally commend an officer. This is always an interesting topic and community members are always eager to learn about the process. Hope to see you at the meeting!

Be safe,

-Compared to the same date last year, 2020; as of 03/14/21 we are currently down 41% in theft from vehicles, 17% in assaults, and 6% in robberies. However, we are up 166% in home and commercial burglaries and 18% in motor vehicle theft .

- If you are reporting a crime in progress, dial 9-1-1(415-553-8090 on cell phones) to report fires, medical emergencies or any emergency related to public safety. To report a non-emergency incident (a crime that has already occurred and the suspects are gone) please call the SFPD non-emergency phone number at 415-553-0123 or you can go online to file certain reports at <https://www.sanfranciscopolice.org/get-service/police-reports/file-police-report>

San Francisco Police Arrest Suspects in October Bayview Homicide 21-060

MARCH 15, 2021 | 3:27 PM

On Saturday, October 24, 2020, at approximately 3:49 PM, San Francisco Police officers from Bayview Police Station responded to Keith Street and Thomas Avenue regarding a shooting that just occurred. Officers arrived on scene and located an adult male victim suffering from gunshot wounds. Officers immediately rendered aid to the victim and summoned medics to the scene. Medics arrived on scene, but despite the life-saving efforts of the emergency responders, the victim was declared deceased at the scene.

The SFPD Homicide Detail investigators responded to the scene and took over the investigation. Through the course of the investigation, the SFPD identified two individuals as suspects involved in the murder. The lead investigator obtained arrest warrants for the suspects and search warrants for their residences.

On March 4, 2021, at approximately 9:00 PM officers from Ingleside Police Station and Homicide investigators located and arrested 50-year-old male, Willie Woodson of San Francisco at 3rd Street and Oakdale Avenue. A search warrant was served at Woodson's residence which located evidence relating to the homicide. Woodson was booked into San Francisco County Jail for murder (187(a) PC), carrying a loaded firearm with intent to commit a felony (25800(a) PC), and a prohibited person carrying a loaded firearm in public (25850(c)(5) PC).

On March 5, 2021, at approximately 2:30 PM Bayview officers and Homicide investigators served search and arrest warrants at a residence on the 2500 block of Arelious Walker Drive. Officers located and arrested the 2nd homicide suspect, 29-year-old female, Denise Lasha Johnson. Johnson was booked into San Francisco County Jail for murder (187(a) PC), carrying a loaded firearm with intent to commit a felony (25800(a) PC), a prohibited person carrying a loaded firearm in public (25850(c)(4) PC), and conspiracy (182 PC).

During the service of the warrants on Arelious Walker Drive, investigators also located 29-year old male, Romony Wilson inside the residence and developed probable cause to arrest him for firearms-related charges. Wilson was booked into San Francisco County Jail for two counts of a convicted felon in possession of firearms (29800(a)(1) PC), possession of an assault weapon (30515(a)(5) PC), possession of a large-capacity firearm magazine (32310(c) PC), and child endangerment (273(a) PC).

While arrests have been made, this remains an active and ongoing investigation. Anyone with information is asked to call the SFPD Tip Line at [1-415-575-4444](tel:1-415-575-4444) or Text a Tip to [TIP411](sms:4155754444) and begin the text message with SFPD.

San Francisco Police announce arrest in Uber assault and robbery case 21-059

MARCH 11, 2021 | 4:46 PM

Another suspect expressed her intent through counsel late this afternoon to turn herself in

The San Francisco Police Department today announced that an arrest has been made in connection with the March 7, 2021 aggravated assault and robbery of a 32-year-old Uber driver near the intersection San Bruno Avenue and Bacon Street in San Francisco's Bayview Neighborhood.

Police officers from the Las Vegas Police Department earlier today apprehended 24-year-old Malaysia King in connection with the incident. Another suspect, 24-year-old Arna Kimiai, remains outstanding at this time, but communicated through her legal counsel late this afternoon to the San Francisco Police Department of her intent to turn herself in soon.

"We're glad to hear that Ms. Kimiai intends to do the right thing and turn herself in to the nearest law enforcement agency, and we hope it happens promptly," said Lt. Tracy McCray, who heads the San Francisco Police Department's Robbery Detail. "The behavior captured on video in this incident showed a callous disregard for the safety and wellbeing of an essential service worker in the midst of a deadly pandemic. We take this conduct very seriously in San Francisco, and we're committed to ensuring that justice is done in this case."

On Sunday, March 7 at approximately 1:16 p.m., San Francisco police officers assigned to Bayview Station responded to the intersection of San Bruno Avenue and Bacon Street for a reported aggravated assault. When officers arrived on scene, they met with a 32-year-old male victim who said that he was assaulted by two female suspects. The victim identified himself as a rideshare operator.

He reported that at approximately 12:45 p.m. he picked up three female passengers at San Bruno Avenue and Felton Street. The driver stopped and ended the ride a few minutes later when he realized one of the passengers was not wearing a mask in compliance with state and local public health orders for COVID-19. The driver said that he could not continue the fare unless all passengers were wearing their masks. An altercation ensued, and one of the passengers reached over the driver from the rear seat area and stole the driver's cellphone. The victim grabbed and eventually regained possession of his phone.

The suspects then exited the car and another passenger reached into an open window and sprayed what is believed to be pepper spray into the vehicle towards the driver. The suspects fled the scene. SFPD's Robbery Unit took over the investigation and identified two suspects soon after, Ms. Kimiai and Ms. King.

Ms. King was arrested today on an Arrest Warrant for the following charges: assault with a caustic chemical (244 PC), assault and battery (243.3 PC), conspiracy (182 PC) and violation of health and safety code (120295 H&S).

While an arrest has been made, this remains an active and ongoing investigation. Anyone with information is asked to call the SFPD Tip Line at [\(415\) 575-4444](tel:4155754444) or Text a Tip to [TIP411](sms:4155754444) and begin the text message with SFPD.

San Francisco police announce that the second suspect sought in assault and robbery of an Uber driver is now in custody 21-059(a)

MARCH 14, 2021 | 10:11 PM

The San Francisco Police Department tonight announced that 24-year-old Arna Kimiai, the second suspect in the March 7 aggravated assault and robbery of a 32-year-old Uber driver, is now in custody after surrendering to authorities in San Francisco.

Through her attorney, Ms. Kimiai had expressed her intention last Thursday afternoon to turn herself in, just hours after 24-year-old Malaysia King — another suspect in the same incident — was apprehended by officers from the Las Vegas Police Department. Ms. Kimiai was booked into San Francisco County Jail tonight on an arrest warrant for charges of robbery (211 PC), assault and battery (243.3 PC), conspiracy (182 PC), and violation of health and safety code (120295 H&S).

The original incident occurred on the afternoon of Sunday, March 7, 2021, shortly before San Francisco police officers assigned to Bayview Station responded to a reported aggravated assault at the intersection of San Bruno Avenue and Bacon Street. When officers arrived on scene at 1:16 p.m., they met with a 32-year-old male victim who said that he was assaulted by two female suspects. The victim, who identified himself as a rideshare operator, reported that he picked up three female passengers at San Bruno Avenue and Felton Street at approximately 12:45 p.m. A few minutes later, the driver stopped the vehicle and ended the ride when he realized that one of the passengers was not wearing a mask in compliance with state and local public health orders for COVID-19. The driver said that he could not continue the fare unless all passengers were wearing their masks.

An altercation ensued, largely captured on video, and one of the passengers reached over the driver from the rear seat area and stole the driver's cellphone. The victim grabbed and eventually regained possession of his phone. The suspects then exited the vehicle, and another passenger reached into an open window and sprayed what is believed to be pepper spray into the car towards the driver. The suspects fled the scene. SFPD's Robbery Unit took over the investigation and identified two suspects soon after, Ms. Kimiai and Ms. King.

Ms. King was arrested on an arrest warrant last Thursday, March 11, 2021, for the following charges: assault with a caustic chemical (244 PC), assault and battery (243.3 PC), conspiracy (182 PC), and violation of health and safety code (120295 H&S).

While arrests have been made, this remains an active and ongoing investigation. Anyone with information is asked to call the SFPD Tip Line at [\(415\) 575-4444](tel:4155754444) or Text a Tip to [TIP411](sms:4155754444) and begin the text message with SFPD.

San Francisco Police Release Burglary Awareness Crime Prevention Video

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- “Block the cord” – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family and your home from burglary please click on the link below and watch our safety video.

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

For additional information, please contact SF SAFE at (415) 553-1984 or visit sfsafe.org

PREVENT GARAGE DOOR BREAK-INS

ANATOMY OF A SAFE GARAGE

Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit sfsafe.org.

With the Covid-19 restrictions lifting in phases and many of us are starting to venture out again, here are some Package Theft Prevention Guide from SFSafe to help prevent your packages from being stolen.

PACKAGE THEFT PREVENTION GUIDE

WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

SF SAFE CITY CAMERA PROGRAM

Through the SF SAFE City Camera Program, we address public safety needs and help reduce crime through collaboration.

By partnering with community stakeholders, such as local merchant associations, businesses, and community residents from San Francisco's high trafficked neighborhoods, commercial corridors, and our City government, we identify specific needs, install public safety cameras and create, develop, and implement safety plans with a meaningful community-led and community-driven process.

Through this program, SF SAFE targets high-risk and high-traffic city blocks comprising about 20-30 businesses or residential areas for the installation of high definition security cameras and surveillance technology. Typically, a coverage area of about 18-24 camera views per corridor is provided. Camera installation projects for commercial corridors take about 12 weeks from start to finish and encompass outreach, assessment, mapping and system installation. We work with technology vendors as the technology solutions and data privacy provider for this program, accountable to the most stringent level of self-imposed policy standards.

In addition to the security cameras acting as a visible crime deterrent, the footage is an extraordinary tool in assisting businesses and community members in the investigation of criminal activity if/when any occur. This program levels the playing field, holding all involved accountable, creating an equitable and true evidence chain for investigators and public defenders alike, as an innovative alternative policing tool empowering communities to take ownership over their own public safety needs.

To learn more about the SF SAFE City Camera Program, email sfsafecitycameraprogram@sfsafe.org.
