Hello everyone,

Recently I have been reading more reports that have come across my desk about attempted home burglaries. I mention this because these incidents were attempts and the criminal act of burglary was not completed.

We have been messaging this for a while now about the importance of securing your garage door at night when you are home and especially when you are away from home. Many people have been securing the emergency release cord on their garage doors by tying the cord up so thieves cannot easily break a window or drill a hole on your garage door then hook the emergency release cord and disengage you garage door.

Some people have also installed an additional locking latch as an extra layer of security and I am now seeing more thief being deterred. Keep up the good work of securing your garage door. Exterior motion lighting is also a great idea.

Residential garage burglaries are by far the most notable increase in crime in the Taraval Police District so being vigilant and securing your garage door is a smart way to deter crime in our community.

Be safe,

Captain Rainsford

-Compared to the same date last year, 2020; as of 05/23/21 we are currently down 27% in theft from vehicles and 10% in robberies. However, we are up and 5% in assaults, 99% in home and commercial burglaries and 12% in motor vehicle theft .

- If you are reporting a crime in progress, dial 9-1-1(415-553-8090 on cell phones) to report fires, medical emergencies or any emergency related to public safety. To report a non-emergency incident (a crime that has already occurred and the suspects are gone) please call the SFPD non-emergency phone number at 415-553-0123 or you can go online to file certain reports at <https://www.sanfranciscopolice.org/get-service/police-reports/file-police-report>

San Francisco Police Are Seeking Public Assistance in Locating Homicide Suspect 21-095

MAY 18, 2021 | 7:31 PM

On May 15, 2021, at approximately 10:08 am, San Francisco Police officers from Bayview District Police Station responded to the area of 25th and Connecticut Streets regarding a shooting. Upon arrival, officers located a 61-year-old male victim suffering from apparent gunshot wounds. Officers rendered aid and summoned an ambulance. The victim was transported to a local hospital where he later succumbed to his injuries.

On May 15, 2021, at approximately 12:26 pm, San Francisco Police officers were in the area investigating the earlier homicide when they responded to a report of shots fired on the unit block of Dakota Street. Officers located two adult males suffering from gunshot wounds. The victims, ages 49 and 54, were transported to a local hospital. Despite lifesaving efforts, the 54-year-old victim succumbed to his injuries. The 49-year-old victim remains hospitalized.

Investigators from the SFPD Homicide Detail took over both investigations and identified 32-year-old Robert Newt as the suspect in both incidents. There are three warrants for Newt's arrest, two for murder and one for attempted murder. Newt is considered armed and extremely dangerous. Newt is known to frequent the Bayview-Hunter's Point area. A photo* of Robert Newt accompanies this news release.

If you see Newt do not approach him. Note his location, clothing, and any vehicle description and immediately call 9-1-1.

Investigators are asking anyone with information regarding these incidents to contact the SFPD via the SFPD 24-hour-tip line at [1-415-575-4444](tel:1-415-575-4444), or Text a Tip to [TIP411](https://www.sfpd.org/tip411) and begin the message with SFPD. You may remain anonymous

Auto Burglary Investigation Leads to Officer-Involved Shooting (Town Hall Notes) 21-091(a)

MAY 13, 2021 | 3:57 PM

The following information is based on a preliminary and ongoing investigation, which continues to evolve as investigators interview witnesses, review physical and electronic records, and analyze forensic evidence. The Department's understanding of the facts and circumstances may change as additional evidence is collected and analyzed.

Incident Narrative

The officer-involved shooting (OIS) incident that occurred on May 7, 2021, at Varney Place and Jack London Alley was preceded by six separate incidents. The incidents consist of:

- Five (5) auto burglaries, which occurred from approximately 11:44 a.m. to 12:45 p.m. in the Richmond and Central Police Districts of San Francisco; and
- One (1) instance during which the Suspect vehicle fled from a neighboring police agency during a traffic stop attempt.

The OIS incident discussed in this presentation involves plainclothes members of the San Francisco Police Department assigned to the Central Police District. The plainclothes officers were conducting an auto burglary surveillance and arrest operation when the OIS occurred: The precise chronology of these incidents is currently under investigation. The times presented are approximate.

The following is a summary of the events as they are understood as of today, Thursday, May 13th, 2021: At approximately 11:44 a.m., witnesses observed an auto burglary near the Japanese Tea Garden. This location is within Golden Gate Park in the Richmond Police District of San Francisco. The suspect vehicle was described by witnesses as a silver Mitsubishi Eclipse Cross. A license plate was provided and later deemed to be stolen. The suspects were observed breaking a vehicle window, stealing bags from the vehicle, and fleeing the scene in the Mitsubishi.

At approximately 12:04 p.m., the U.S. Park Police observed the same silver Mitsubishi in the Presidio area of San Francisco. U.S. Park Police Officers attempted to make a traffic stop of the vehicle. However, the vehicle accelerated at a high rate of speed, drove over a median into oncoming traffic, and fled the area driving the wrong way. U.S. Park Police subsequently called Central Police Station and notified the Central plainclothes officers of the traffic stop attempt and the evasive maneuvers by the suspect vehicle's driver.

At approximately 12:10 p.m., a witness observed an auto burglary at Leavenworth and Jefferson Streets in the Central Police District. The witness in this incident heard glass break, and observed a suspect enter a vehicle window and retrieve a purse and bag. The suspect then entered a silver Mitsubishi, which left the area. The vehicle had the same license plate as the vehicle described in the Golden Gate Park auto burglary.

Auto Burglary Investigation Leads to Officer-Involved Shooting (Town Hall Notes) 21-091(a) (Cont.)

MAY 13, 2021 | 3:57 PM

At approximately 12:20 p.m., an auto burglary occurred at Pier 35 in the Central Police District. A witness described observing the occupant of a silver Mitsubishi enter a vehicle and steal luggage before fleeing in the Mitsubishi. A witness flagged down a passing University of California Police Department officer, who later reported this information to SFPD.

At approximately 12:31 p.m., the Department of Emergency Management (DEM) broadcast information about a silver Mitsubishi with the same license plate number as those previously reported “casing vehicles” in the area of Pier 35. (“Casing” is a term commonly used to describe suspicious behavior of suspects loitering near vehicles for the purpose of committing auto burglary.)

As a result of this broadcast, and their knowledge of prior incidents, plainclothes officers from Central Station began searching the Embarcadero area for the silver Mitsubishi. At approximately 12:35 p.m., two plainclothes officers observed the silver Mitsubishi driving southbound on Embarcadero approaching Washington Street. The Officers conducted mobile surveillance of the vehicle and its occupants to observe their actions. The Officers observed the occupants of the Mitsubishi case a parked vehicle near Washington and Drumm Streets. The officers momentarily lost sight of the suspects and then saw them remove bags and items from the parked vehicle. The suspects got back into the silver Mitsubishi, which then drove away from the area.

At approximately 12:40 p.m., plainclothes officers resumed their observation of the Mitsubishi and its occupants. The vehicle continued southbound on Embarcadero and was seen double parked near an Audi, which was parked on the street. The officers briefly lost sight of the Mitsubishi as it parked near the Audi. The officers then drove by shortly after and observed that the Audi had been burglarized near where the Mitsubishi had been double parked.

Plainclothes officers once again began searching the area to locate the silver Mitsubishi. At approximately 12:48 p.m., two plainclothes officers — while searching the area of Jack London Alley and Varney Place — observed the Mitsubishi. The Mitsubishi was pulled to the side of the alley against a building, and two vehicle occupants were out of the vehicle. The two suspects were observed removing bags, luggage, and other items from the vehicle. The suspects appeared to be searching and emptying the bags and luggage onto the ground.

The plainclothes officers exited their vehicle and began observing the actions of the suspects from the corner of Jack London Alley and Varney Place. One of the suspects, later identified as Xavier Pittman Jr., was seen wearing a black ski mask, grey sweatshirt, black t-shirt, blue pants, and black shoes.

The plainclothes officers ran towards Mr. Pittman with their firearms drawn to place him under arrest. A surveillance video shows plainclothes officer #1 grabbed Mr. Pittman, and both fell to the ground. During the physical contact with Mr. Pittman, an officer-involved shooting occurred, which resulted in one round striking Mr. Pittman in the left wrist area.

Auto Burglary Investigation Leads to Officer-Involved Shooting (Town Hall Notes) 21-091(a) (Cont.)

MAY 13, 2021 | 3:57 PM

The audio portion of a video recording recovered from the scene captured one of the officers yell, "Police!" — immediately followed by a single gunshot. Mr. Pittman can be heard on the audio saying that he had been shot and requesting an ambulance.

The silver Mitsubishi accelerated away at a high rate of speed with the rear hatchback still open. The suspect vehicle collided with a stopped and occupied vehicle as it proceeded west on Varney Place. The suspect vehicle was last seen on video fleeing northbound on 3rd Street. An officer broadcast a request for an ambulance and additional resources to the scene. Officers rendered medical aid to Mr. Pittman. An ambulance arrived and transported Mr. Pittman to a local hospital.

Additional Information

Mr. Pittman's Condition

- Mr. Pittman was treated for non-life-threatening injuries at a local hospital.

Evidence

- Based upon information known at this time, Mr. Pittman was not in possession of a weapon at the time of the incident.
- Preliminary evidence indicates that one officer fired one (1) round from his department-issued firearm. The second officer on the scene did not fire his department-issued firearm.
- A large amount of stolen property related to the auto burglaries was recovered at the scene. • The Mitsubishi was recovered unoccupied in Oakland, California.

Video

- The plainclothes officers involved in this incident were not wearing body-worn cameras (or BWCs). Current San Francisco Police Department Policies allow BWC exemptions for officers working certain plainclothes operations. This particular operation met the BWC exemptions.
- Nearby businesses provided surveillance video of various portions of this incident.
- Additional video is being sought by investigators.

Witnesses

- Witnesses to the OIS incident have been interviewed.

MAY 13, 2021 | 3:57 PM

- Additional witnesses are being sought by investigators.
- Witnesses have been interviewed related to the auto burglary incidents, which occurred prior to the OIS.

Suspect

- Name: Xavier Pittman Jr. (Date of birth: Jan. 26, 1998.)
- Mr. Pittman Jr. was arrested by the San Francisco Police Department and booked at the San Francisco County Jail for the following charges:
 - o 459 2nd Degree PC – Auto Burglary (Felony, 5 counts)
 - o 182(a)(1) PC- Conspiracy (Felony, 5 counts)
 - o 496(a) PC – Possess Stolen Property (Felony, 1 count)
 - o 12022.1 PC – Committing a Felony while on release (Felony, 1 count)

Involved Members

The officer involved in this officer-involved shooting is:

- Officer Zachary McAuliffe

Investigations

- The Independent Investigations Bureau (IIB) of the San Francisco District Attorney's Office and the SFPD Investigative Services Detail are conducting investigations into the incident.
- The Department of Police Accountability is conducting an independent administrative investigation.
- The SFPD Internal Affairs Division is conducting an administrative investigation.

San Francisco Police Release Burglary Awareness Crime Prevention Video

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- “Block the cord” – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family and your home from burglary please click on the link below and watch our safety video.

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

For additional information, please contact SF SAFE at (415) 553-1984 or visit sfsafe.org

PREVENT GARAGE DOOR BREAK-INS

ANATOMY OF A SAFE GARAGE

Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit sfSAFE.org.

With the Covid-19 restrictions lifting in phases and many of us are starting to venture out again, here are some Package Theft Prevention Guide from SFSafe to help prevent your packages from being stolen.

PACKAGE THEFT PREVENTION GUIDE

WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

SF SAFE CITY CAMERA PROGRAM

Through the SF SAFE City Camera Program, we address public safety needs and help reduce crime through collaboration.

By partnering with community stakeholders, such as local merchant associations, businesses, and community residents from San Francisco's high trafficked neighborhoods, commercial corridors, and our City government, we identify specific needs, install public safety cameras and create, develop, and implement safety plans with a meaningful community-led and community-driven process.

Through this program, SF SAFE targets high-risk and high-traffic city blocks comprising about 20-30 businesses or residential areas for the installation of high definition security cameras and surveillance technology. Typically, a coverage area of about 18-24 camera views per corridor is provided. Camera installation projects for commercial corridors take about 12 weeks from start to finish and encompass outreach, assessment, mapping and system installation. We work with technology vendors as the technology solutions and data privacy provider for this program, accountable to the most stringent level of self-imposed policy standards.

In addition to the security cameras acting as a visible crime deterrent, the footage is an extraordinary tool in assisting businesses and community members in the investigation of criminal activity if/when any occur. This program levels the playing field, holding all involved accountable, creating an equitable and true evidence chain for investigators and public defenders alike, as an innovative alternative policing tool empowering communities to take ownership over their own public safety needs.

To learn more about the SF SAFE City Camera Program, email sfsafecitycameraprogram@sfsafe.org.

Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

Examples of Suspicious Activity:

- An individual peering into vehicles, to try, and locate any valuables left unattended.
- An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- An individual checking front doors of residences to locate any unattended packages or individuals following delivery trucks to see where the truck is dropping off packages.
- Please dial 911 to report crimes in progress, suspicious activity or for life threatening emergencies. If it is not an emergency, dial (415) 553-0123.

Bias-Free Policing

Everyone deserves to be treated fairly.

SFPD officers undergo Implicit Bias & Procedural Justice training.
Our goal is ensure fair, impartial community policing.

We're dedicated to providing
Safety With Respect for All.

Learn about our ongoing efforts to eliminate bias and increase accountability at sanfranciscopolice.org/bias-free.

A guiding principle of the San Francisco Police Department is its commitment to treating all people with dignity, fairness, and respect. It is crucial for our members to carry out their duties in a manner free from bias and eliminate any perception of policing that appears biased. Biased policing is unsafe, unjust, and ineffective. It also alienates the public, fosters distrust of police, and undermines legitimate law enforcement efforts.

The SFPD is dedicated to ensuring our officers and professional staff provide unbiased, quality service to the diverse communities we work for. Our goal is to provide fair and positive interactions between San Francisco officers and the people we are proud to serve.

Community Surveys

The San Francisco Police Department is committed to excellence in law enforcement and is dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

As part of our ongoing outreach to engage with the community and measure our success, the Department has created a community survey link to obtain valuable community feedback for our community events and programs, which will assist the Department in the development of our strategies to meet the needs of the community. If you have recently attended or participated in an event or program hosted by the Department (such as Coffee with a Cop, National Night Out, ALERT program, Youth Summer program, Community Academy or Town Hall Meeting), and have feedback regarding the event or program you attended, please take some time to fill out our community survey.

The Department has also developed a Foot Beat/Bike Patrol survey to gather valuable community feedback on the effectiveness of the Foot Beat/Bicycle Patrol, as it relates to community policing and crime strategies and an Implicit Bias survey to measure progress in the Department's commitment to impartial policing and procedural justice. Please take the time to fill out the Foot Beat/Bicycle and Implicit Bias surveys. If you have already filled out a survey, thank you! Your response will help SFPD better serve our City and continue to support our community through Safety with Respect.
